AKC Ch. CWMHAF Maestro

Whelped 07/10/2004 by JJ & Rita Lloyd Wales,
UK

History was made when Dewi became the first imported natural-eared boxer to earn an AKC championship. Dewi started showing with Marcelo Chagas on November 15, 2006. In just five weekends of showing with Marcelo, Dewi earned his championship. His impressive record included a 5-point major, Best of Opposite Sex over 5 specials and two 4-point majors.

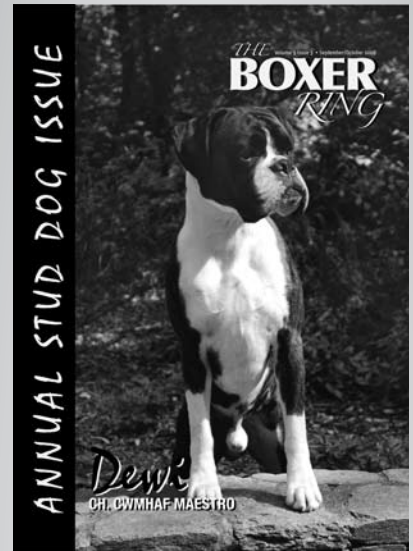

Dewi is fully health tested and cleared for DM, thyroid, kidney disease, hips and heart including an echo and annual holters. He is allergy-free and extremely healthy. Pictures of some of his puppies are now posted on his web site.

Dewi makes weekly visits to a nursing home and spends his days at the office greeting our clients. He is one terrific ambassador of our breed.
